

Using Video to Connect Students

Using Video to Connect Students

- What did I do?
- Why did I do it?
- How did I assess it?
- Benefits and Student Feedback

Student Feedback

- “I really enjoyed her video announcements, they helped me feel more connected to her in a classroom setting.”
- “The instructor worked very hard to make the class feel more like a face-to-face interpersonal encounter and demonstrate visually the concepts that we were learning in the text.”
